10 Great Reasons to Choose a Destination Wedding over a Traditional One

1. Resort weddings cost you so much less than traditional weddings!
2. Your wedding celebration lasts all week long instead of just one day
3. A Romantic ceremony in a spectacular (perhaps tropical?) setting
4. An opportunity for a family reunion vacation
5. Can include or be extended to include your Honeymoon
6. Endless exciting activities for your guests to enjoy
7. No limos, tuxes or D.J's to rent or hire
8. Exotic, out-of-the ordinary wedding photos
9. Your guests need a vacation too!
10. PEACE OF MIND. You consult with the resort's designated Wedding Coordinator and they look after all the details for you!
